**ATTACHMENT TO ETA 790**

Workers recruited under this Job Order are recruited to work on the employer's farm shown on the addendum in the certified occupation during the period of employment shown in Item 9. The employer/members will offer US workers at least the same opportunities, wages, benefits, and working conditions as those which the employer offers or intends to offer to non-immigrant foreign workers.

1. Name and address of employer: R.M Zingler Jr. Farms; 1479 Kendall Rd., Kendall NY 14476

9. Anticipated dates of employment: 8/8/2011 until 11/1/2011.

10. The approximate maximum number of workers to be employed in the certified occupation by the grower is shown in the Addendum (the list of employers). The actual number of workers employed in the certified job opportunities of the grower at any given time may be more or less than the approximate numbers shown in the addendum, depending upon crop conditions, weather, markets or other circumstances that develop during the season. The employers total work force need in this occupation is 40 workers. The employer anticipates filling at least 5 of the opportunities with local workers who commute daily from their own homes. Therefore the employer is applying for 35 workers through this clearance order.

11. Anticipated Hours of Work: Worker will report to work at the designated time and place as directed by the Grower each day. The standard workweek is 7 hours per day Monday-Friday and 5 hours on Saturday is normal; however, workers may be requested to work 10+ hours per day depending upon the conditions in the fields and maturity of the crops but will not be required to do so. Also, the workers may be requested to work on federal holidays and on their Sabbath but will not be required to do so. Workers may volunteer to work additional hours when work is available. Down Time: Workers should expect occasional periods of little or no work because of weather, crop or other conditions beyond the employer's control. These periods can occur anytime throughout the season.

13. Employers will furnish free cooking and kitchen facilities to those workers who are entitled to live in the employers' housing so that workers may prepare their own meals. Workers will buy their own groceries. Once a week the employers will offer to provide (on a voluntary basis by the workers) free transportation to assure workers access to the closest store where they can purchase groceries.

Housing is provided at no cost to workers who are not reasonably able to return the same day to their place of residence. This paragraph applies to such workers only. Housing is not provided to non-workers. Housing capacity is strictly regulated by the US Department of Labor, and no person, other than the eligible employees authorized by the employer, may occupy or remain overnight in employer-provided housing. Employer-provided housing must meet the full set of DOL Occupational Safety and Health Administration (OSHA) standards set forth at 29 CFR 1910.142, or the full set of standards set at §§ 654.404 through 654.417, whichever are applicable under § 654.401. Workers provided housing by the employer must promptly vacate the housing upon termination of employment. No charge will be made for beds or cooking utensils and similar items furnished to workers to whom housing is provided. All housing is group housing in which all workers will share kitchens and common areas without regard to gender. Female workers, however, will be provided with sleeping facilities shared only with other family members or with other females. Sex-segregated toilets facilities will be provided. Workers who reside in such housing agree to be responsible for maintaining the housing in a neat and clean manner. Workers residing in employer's housing may have mail directed to them at the employer's address on attached addendum. When public accommodations (hotel or motel) are used, the workers will be provided 3 meals per day for \$10.73 per day, or the current subsistence amount as posted in the Federal Register.

14. Local and intrastate (in state), applicants may contact their local state workforce or the employer, Mike Zingler, directly at (585) 451-8226. Applicants should call between the hours of 9:00 am – 3:00 pm (Eastern Standard Time) Monday – Thursday and 9:00 am – 11:00 am on Fridays to schedule an interview. For interstate (out of state) applicants should apply at their local state employment agency. State employment service agency staff is encouraged to call to make a referral while the applicant is at the Job Service office during times disclosed above. Interviews will be conducted over the telephone to create less of a burden for applicants, once the employer has fulfilled their requirements of disclosing all terms and conditions of the job. Participation and monitoring of the interview process by SWA staff guarantees proper disclosure of the terms and conditions and protects the integrity of the interview process. Workers should be fully apprised by the local employment office of the terms, conditions and nature of employment prior to referral. This will enable applicants to review all the information and make an informed decision about the job and will ensure compliance with disclosure requirements.

Workers should be fully apprised by the local employment office of the terms, conditions and nature of employment prior to referral. Employer will interview the person for 1) Availability for entire season, 2) Available transportation to the job site, 3) Has been fully apprised by the local employment services of the terms and conditions of employment. Workers recruited against the Job Offer from within normal commuting distance will not be provided with housing, subsistence and transportation.

**Thinning:** While thinning trees, workers will be instructed as to how close together fruit should be spaced and what fruit is most desirable to leave or take. The supervisor will set a standard or pattern for each orchard and will demonstrate and communicate this to workers. In some instances, thinning will be done from a 14-foot ladder weighing up to 30lbs. All workers must be able to lift and carry ladder, as well as work from the top of the ladder. Rows will be assigned to each worker and it is the responsibility of the worker to complete the trees on the row according to the supervisor's instructions. In the event that the Department Of Labor promulgates a new AEW applicable to any portion of the period of employment covered by this job order which is higher or lower than the AEW herein, the employer will pay the higher AEW, and may, at the employer's discretion pay the lower AEW, beginning with the effective date of the new AEW. Employer will pay the highest of the AEW, prevailing wage, the piece rate, the agreed-upon collective bargaining wage or the Federal or State minimum wage at the time the work is performed.

The employer reserves the right, at the employer's sole discretion, to temporarily raise the above listed piece rates due to crop conditions. In the tasks where there is no prevailing practice to pay a piece rate the employer, at his sole discretion, may opt to pay per hour to ensure a good quality product. At no time will the workers be paid less than the highest available wage.

A. The employer will make the following deductions from the Worker's wages: FICA taxes and State and Federal Income tax as required by law. FICA, State and Federal taxes will not be deducted from those worker's wages that are working under a temporary, agricultural visa. No deduction not required by law will be made that brings the worker's hourly earnings below the statutory federal or state minimum wage.

B. Employers guarantee to offer employment for the hourly equivalent of 3/4 of the workdays of the total specified period during which the work contract and all amendments thereof are in effect, beginning with the first workday after the workers' arrival at the assigned Grower's farm, ready, willing, able, and eligible to work and ending on the expiration date specified in the work contract and all extensions thereof or upon the termination of this employment as provided below. For purposes of this guarantee, a "workday" consists of seven hours Monday-Friday and five hours on Saturday. The worker is not required to work on his Sabbath or on federal holidays which are New Year's Day, January 1; Martin Luther King, Jr.'s birthday, the third Monday in January; Presidents Day, the third Monday in February; Memorial Day, the last Monday in May; Independence Day, July 4; Labor Day, the first Monday in September; Columbus Day, the second Monday in October; Veteran's Day, November 11; Thanksgiving Day, the fourth Thursday in November; and Christmas Day, December 25. On certain of these days, work may be available. If the worker at the conclusion of his work agreement has been afforded less employment opportunity than required under this provision, the worker will be paid at his average hourly rate for the hours, in addition to those actually offered, up to the hourly equivalent of the guaranteed number of days. In determining whether the guarantee of employment has been met, any hours which the Worker fails to work during a workday, when the Employer offers him the opportunity to work, and all hours of work actually performed shall be counted toward meeting this guarantee. In addition the employer may count hours of work offered all hours for which work was offered and not worked which do not exceed a total of hours worked and hours offered but not worked of the normal work hour. The guarantee described in this paragraph shall not apply if the worker voluntarily abandons this employment before the end of the contract period or in the event the worker is terminated for a lawful job-related reason. The guarantee described in this paragraph shall not apply to an H-2A alien worker who is terminated because of the employer's compliance with the requirement to employ all qualified eligible US workers who apply during the first 50 percent of the employment period in accordance with the rule at 20 CFR 655.122(i)(4).

C. This employment guarantee shall be terminated before the end of the Period of Employment if the services of the workers are no longer required for reasons beyond the control of the Employer due to fire, frost, flood, drought, hail, other Act of God which makes fulfillment of this contract impossible. In such cases, the employer will make efforts to transfer worker to other comparable employment acceptable to worker. If such transfer is not effective, workers will be returned at Employer's expense to the place from which Worker, without intervening employment, came to work for employer. In the event of such termination, the 3/4-guarantee period ends on the date of termination. The guarantee shall be void from the beginning should the Worker voluntarily abandon this employment before the end of the contract period or in the event the Worker is terminated for lawful job-related reason, and the employer notifies the NPC, and DHS in the case of an H-2A worker, in writing or by any other method specified by the Department or DHS in a manner specified in a notice published in the Federal Register not later than 2 working days after such abandonment occurs.

D. Workers will be paid weekly.

E. Employer will provide a worker referred through the SWA Interstate System forty (40) hours of work for the week beginning with the anticipated date of need, unless the employer has amended the date of need by notifying the local employment service office at least 10 working days prior to the original date of need. If the employer fails to notify the order-holding office, then employer shall pay an eligible worker referred through the interstate clearance system \$10.25 per hour for the first week, starting with the original anticipated date of need. The employer may require the worker to perform alternative work if the guarantee cited in this section is invoked. If the worker fails to notify the order-holding office of his continuing interest in the job no sooner than nine working days and no later than five working days before the date of need, the worker will be disqualified from the above-mentioned assurance. Alternative work will be general labor and maintenance activities including, cleaning and maintaining migrant housing, fence mending and the repair and maintenance of farm buildings and equipment.

F. The Employer will furnish to the worker, on or before each payday one or more written statements showing the worker's total earnings for the pay period, his hourly rate or piece rate (if applicable); the hours of work which have been offered to the worker, the total hours actually worked by the worker, an itemization of all deductions made from the worker's wages; the worker's net pay; the employer's name, address and IRS identification number.

17. Transportation: The Employer will not advance transportation and subsistence costs to Workers for transportation to the place of employment.

The following paragraphs related to inbound and outbound transportation pertain only to workers who are not within commuting distance and cannot return to their place of residence the same day and are, therefore, eligible for the benefit. After a worker has completed 50% of the work contract employer will reimburse travel as stated below.

The Employer will offer transportation to and from the daily work site to workers living in employers' housing at no cost to workers. The use of this daily transportation is voluntary; no worker is required as a condition of employment to utilize the daily transportation offered by the employer to get to the worksite. Employees are always free to make arrangements to get to and from the designated work site any way they choose at their own expense. For those employees who voluntarily choose to utilize the free employer provided transportation, the vehicles will depart from a predestinated time and place each day. Time spent in travel to and from the daily worksite is not compensable under the Portal-to-Portal Act found at 29 CFR 785.50 and US DOL regulations.

All eligible applicants will have their inbound reasonable transportation expenses reimbursed, one time only. Domestic applicants from outside of the normal commuting distance that voluntarily chose not to reside in the employer provided housing, the employer will pay for the initial inbound transportation reimbursement. However, the employer will not reimburse any workers for daily transportation cost whether commuting from inside or outside of the area of intended employment. Employer will not pay for voluntary trips back to their residence due to family emergencies, or vacations.

The amount of such transportation payment will be equal to the Worker's actual transportation costs not to exceed the most economical and reasonable common carrier transportation charges for the distance involved. In lieu of the above payments to the workers for transportation, the employer reserves the right to charter or otherwise arrange to provide for transportation at the employer's election. Subsistence reimbursement shall be \$10.73 per day, without producing documentation of actual expenses, or will otherwise be paid as per 20 CFR 655.122(h) only to those employees who are eligible under the H-2A program regulations for subsistence pay. Maximum Amount to be reimbursed with receipts is \$46.00. By way of illustration and not in limitation of the foregoing, the employer will not pay transportation for such worker if he does not have suitable documents to comply with proof of identity and employment eligibility requirements of IRCA, if he is discharged for lawful job-related reasons, if he has knowledge at the place of recruitment that he can not perform the duties of the job as described above, or if he abandons this employment when he is needed by the Grower. Employer will provide transportation and subsistence under this agreement if the worker is terminated because of work related injury caused by this/these crop activities and is so certified by a doctor acceptable to employer before leaving employers farm, or termination resulting from an Act of God which makes fulfillment of this contract impossible as provided in paragraph 9C or if the worker is displaced by a U.S. worker under DOL's 50% rule. Employer will offer free transportation for workers living in employer's housing facility both to and from the daily work site. The use of the transportation by the worker is voluntary; no worker will be required as a condition of employment to utilize the transportation offered by the employer. Workers are free to choose their own means of transportation at their own expense.

For US workers who complete the work contract and are eligible for the outbound transportation benefit, the Employer will provide or pay for the worker's reasonable cost of return transportation and subsistence from the place of employment to the place from which the worker departed to work for the employer, except when the worker will not be returning to the place of recruitment due to subsequent employment with another employer. If the subsequent employer has not agreed to provide or pay for the worker's transportation to the subsequent place of employment, the Employer will provide or pay for the transportation and subsistence to the subsequent place of employment in lieu of providing or paying for such expenses from the place of employment to the place from which the worker departed to work for the employer. If the subsequent employer has agreed to provide or pay for the worker's transportation and subsistence to the subsequent place of employment the Employer will not provide or pay for such expenses. The Employer reserves the right to arrange charter or other return transportation. Workers eligible for this benefit who do not wish to avail themselves of employer arranged return transportation would be provided their outbound transportation and subsistence by check. In those circumstances, the grower will distribute the checks as soon as all work is completed, as determined by the employer, and the worker is ready to depart. Workers may select any means of transportation home they choose, however, the reimbursement is limited to the most economical and reasonable common carrier transportation cost for the distance involved. Workers who arrange their own transportation understand they assume all liability and hold harmless the growers/association for any damages, injuries, and personal or property losses.
