New York State Department of Labor
FORM ETA 790 -- Attachment #1
Terms and Conditions/Clarifications and Assurances

Job Order Number: NY 0984001

Employer – LynOaken Farms Inc.

A: CLARIFICATION OF ITEMS ON FORM ETA 790

Item 3: Housing

- a. Housing and utilities are provided at no cost to H-2A workers and those workers in corresponding employment who are unable to return to their place of residence the same day.
- b. Housing beds, bedding and mattresses will be furnished at no cost to the workers.
- c. Housing will be clean and meet the applicable federal and State housing standards.
- d. Workers will be responsible for maintaining housing and surrounding areas in a neat, clean manner.

Item 15: Job Specifications

- a. Workers must be able to demonstrate that they are physically able to perform the work as described.
- b. Employer may terminate worker with timely notification to the NPC and DHS, if the worker:
 - 1) Refuses, without cause, to perform work for which the worker was recruited and hired;
 - 2) Commits serious acts of misconduct; or
 - 3) Fails, after completing any training or break-in period, to reach production standards
 - 4) Abandons Job ("Job Abandonment") – is absent for five consecutive previously scheduled days without prior notification to employer.

Item 16: Wage Rates, Special Pay Information and Deductions

The employer will offer, advertise in its recruitment, and pay a wage that is the highest of the AEWR, the prevailing hourly wage or piece rate, the agreed upon collective bargaining wage, or the Federal or State minimum wage, except where a special procedure is approved for an occupation or specific class of agricultural employment. Employer assures that if a change in the AEWR requires an increase such increase will be paid as of the effective date of the increase. Also if the AEWR is decreased this will become the wage effective of the date of the decrease.

- a. If, during a pay period, piece rate earnings for total hours of work at a piece-rate do not result in average hourly earnings equal to or greater than the guaranteed minimum hourly rate, the worker will receive make-up pay to the guaranteed minimum wage rate.
- b. In New York State, the only deductions that can be taken from worker pay are:
 1. Those required by law, such as Social Security, income tax, and garnishment of wages;
 2. Those that benefit workers and are authorized in writing, such as life insurance, or a savings account

Any other deductions are illegal.

- c. The employer guarantees to offer employment for a minimum of $\frac{3}{4}$ ("three fourths guarantee") of the hours in the workdays during the period of the contract, and all extensions thereof. This guarantee begins with the first workday after the worker's arrival at the place of employment and ends on the date specified on the job order or extensions thereof. In fire, weather, or Act of God terminations, the $\frac{3}{4}$ guarantee period ends on the date of termination. The employer must make efforts to transfer the worker to other comparable employment acceptable to the worker, consistent with existing immigration law. If such transfer is not affected, the employer must return the worker, at the employers expense, to the place from which the worker (disregarding intervening employment) came to work for the employer, or transport the worker to the workers next certified H 2A employer, whichever the worker prefers; reimburse the workers the full amount of any deductions made from the worker's pay by the employer for transportation and subsistence expenses to the place of employment; and pay the worker for any costs incurred by the worker for transportation and daily subsistence to that employer's place of employment. The amount of daily subsistence will be in accordance with current rates published in the *Federal Register* (for workers with and without receipts). The amount of the transportation payment must not be less (and is not required to be more) that the most economical and reasonable common carrier transportation charges for the distance involved.
- d. Workers will not be required to work more than the number of hours specified in the job order for a workday or on their Sabbath or federal holidays to meet this guarantee. The worker's average hourly earnings will be used under this guarantee where wages are paid on a piece rate basis. A worker who is terminated for cause or who voluntarily abandons his/her job is not entitled to this guarantee if employer provides timely notification to the NPC and DHS.
- e. Workers with school age children who have migrated with such children and who depart in time to return home for the beginning of the school year shall be paid, in addition to the basic wages, any bonus or other incentive payments or other expenses to which they would be entitled had they stayed the entire job order period.

Item 17: Transportation

Employer agrees to reimburse inbound transportation and subsistence expenses (\$10.73 per day minimum to a maximum of \$46.00 per day) to each worker, or any person, government agency or private organization which, on behalf of the worker has paid or advanced such transportation and subsistence expenses, from the place from which the worker has come to work for the employer, whether in the U.S. or abroad to the place of employment, after the worker has completed 50% of the stipulated period of employment, from initial date of need or from the day after actual arrival of worker if later than the stated date to report.

- a. Employer will provide or pay the cost of return transportation and subsistence to each worker who completes the employment period, or who is terminated for medical reasons, or as the result of an Act of God, from place of employment to place of recruitment, except if the worker is not returning to his place of recruitment and had subsequent employment with an employer who will bear transportation expenses, in which case this employer only pays for the transportation to the next job.
- b. Employer will not be responsible for providing return cost of transportation and subsistence from place of employment to place of recruitment if the worker voluntarily abandons the job or is terminated for cause and employer provides timely notification to the NPC and DHS.
- c. If requested by the worker, the employer will assist in making transportation arrangements.
- d. Employer will provide transportation, at no cost to the worker, from the employer provided housing to the actual work site and return at the end of the day.

Item 21: Tools and Equipment

The employer will furnish without cost all tools, supplies, or equipment required in the performance of work.
