All domestic and/or nonresident seasonal workers employed pursuant to this job order who satisfactorily completed the previous crop season may be compensated above the stated hourly wage rate. The tasks in the crops listed below will be paid at the piece rates listed. All other work will be paid the adverse effect wage rate (AEWR) of \$10.91 per hour.

Workers are guaranteed that their total earnings will be at least equal to the AEWR of \$10.91 per hour for all hours worked in a pay period. If a worker's total earnings in any pay period in which the worker has worked at a piece rate are less than the AEWR of \$10.91 for all hours worked in the pay period, the employer will increase the worker's pay to the guaranteed minimum of \$10.91 per hour for the total hours worked in the pay period. In the event that the Department Of Labor promulgates a new AEWR applicable to any portion of the period of employment covered by this job order which is higher or lower than the AEWR herein, the employer will pay the higher AEWR, and may, at the employer's discretion pay the lower AEWR, beginning with the effective date of the new AEWR.

The employer reserves the right, at the employer's sole discretion, to temporarily raise the piece rate for any activity in order to maintain an incentive for high productivity even in adverse conditions. If a piece rate is increased temporarily, the increased rate will be disclosed to the workers before the task begins or when the decision to increase the rate is made. In all cases, the guarantee of not less than the AEWR of \$10.91 per hour for all hours worked in the payroll period will apply.

A. The employer will make the following deductions from the Worker's wages: FICA taxes and State and Federal Income tax as required by law. FICA, State and Federal taxes will not be deducted from those worker's wages that are working under a temporary, agricultural visa. No deduction not required by law will be made that brings the worker's hourly earnings below the statutory federal or state minimum wage.

B. Employers guarantee to offer employment for the hourly equivalent of 3/4 of the workdays of the total specified period during which the work contract and all amendments thereof are in effect, beginning with the first workday after the workers' arrival at the assigned Grower's farm, ready, willing, able, and eligible to work and ending on the expiration date specified in the work contract and all extensions thereof or upon the termination of this employment as provided below. For purposes of this guarantee, a "workday" consists of seven hours Monday-Friday and five hours on Saturday. The worker is not required to work on his Sabbath or on federal holidays which are New Year's Day, January 1; Martin Luther King, Jr.'s birthday, the third Monday in January; Presidents Day, the third Monday in February; Memorial Day, the last Monday in May; Independence Day, July 4; Labor Day, the first Monday in September; Columbus Day, the second Monday in October; Veteran's Day, November 11; Thanksgiving Day, the fourth Thursday in November; and Christmas Day, December 25. On certain of these days, work may be available. If the worker at the conclusion of his work agreement has been afforded less employment opportunity than required under this provision, the worker will be paid at his average hourly rate for the hours, in addition to those actually offered, up to the hourly equivalent of the guaranteed number of days. In determining whether the guarantee of employment has been met, any hours, which the Worker fails to work during a workday when the Employer offers him the opportunity to work, and all hours of work actually performed shall be counted toward meeting this guarantee. In addition the employer may count hours of work offered all hours for which work was offered and not worked which do not exceed a total of hours worked and hours offered but not worked of the normal work hour. The guarantee described in this paragraph shall not apply if the worker voluntarily abandons this employment before the end of the contract period or in the event the worker is terminated for a lawful job-related reason. The guarantee described in this paragraph shall not apply to an H-2A alien worker who is terminated because of the employer's compliance with the requirement to employ all qualified eligible US workers who apply during the first 50 percent of the employment period in accordance with the rule at 20 CFR 655.122(i)(4).

C. This employment guarantee shall be terminated before the end of the Period of Employment if the services of the workers are no longer required for reasons beyond the control of the Employer due to fire, frost, flood, drought, hail, other Act of God which makes fulfillment of this contract impossible. In such cases, the employer will make efforts to transfer worker to other comparable employment acceptable to worker. If such transfer is not effective, workers will be returned at Employer's expense to the place from which Worker, without intervening employment, came to work for employer. In the event of such termination, the 3/4-guarantee period ends on the date of termination. The guarantee shall be void from the beginning should the Worker voluntarily abandon this employment before the end of the contract period or in the event the Worker is terminated for lawful job-related reason, and the employer notifies the SWA, NPC, and DHS in the case of an H-2A worker, in writing or by any other method specified by the Department or DHS in a manner specified in a notice published in the Federal Register not later than 2 working days after such abandonment occurs and this will relieve the employer from subsequent transportation and subsistence costs and the 3/4th guarantee.

D. The payroll period shall be weekly. Workers will be paid weekly.

E. Employer will provide a U.S. worker referred through the Agricultural Recruitment System forty (40) hours of work for the week beginning with the anticipated date of need, specified in Item 9 unless the employer has amended the date of need by notifying the local office at least 10 working days prior to the original date of need. If the employer fails to notify the order-holding office, then employer shall pay an eligible worker referred through the interstate clearance system their hourly AEWR for the MSA where the worker is employed for the first week, \$10.91 X 40 = \$436.40, starting with the original anticipated date of need. The employer may require the worker to perform alternative work if the guarantee cited in this section is invoked. If the worker fails to notify the order-holding office of his continuing interest in the job no sooner than nine working days and no later than five working days before the date of need, the worker will be disqualified from the above-mentioned assurance. Alternative work will be general farm labor and farm maintenance activities including, repairing and upgrading migrant housing, pulling and chopping weeds, cutting ditch banks and hedge rows, cutting fire wood, fence mending and the repair and maintenance of farm buildings and equipment.

F. The Employer will furnish to the worker, on or before each payday one or more written statements showing the worker's total earnings for the pay period, his hourly rate or piece rate (if applicable); the hours of work which have been offered to the worker, the total hours actually worked by the worker, an itemization of all deductions made from the worker's wages; the worker's net pay; the units produced daily, if piece

rate are used; the beginning and ending dates of the pay period; the employer's name, address and IRS identification number. Employer will abide by regulations as stated at 20 CFR 655.122(j)(k).

17. Transportation: The Employer will not advance transportation and subsistence costs to Workers for transportation to the place of employment.

The following paragraphs related to inbound and outbound transportation pertain only to workers who are not within commuting distance and cannot return to their place of residence the same day and are, therefore, eligible for the benefit. After a worker has completed 50% of the work contract employer will reimburse travel as stated below.

The Employer will offer transportation to and from the daily work site to workers living in employers' housing at no cost to workers. The use of this daily transportation is voluntary; no worker is required as a condition of employment to utilize the daily transportation offered by the employer to get to the worksite. Employees are always free to make arrangements to get to and from the designated work site any way they choose at their own expense. For those employees who voluntarily choose to utilize the free employer provided transportation, the vehicles will depart from a predestinated time and place each day. Time spent in travel to and from the daily worksite is not compensable under the Portal-to-Portal Act found at 29 CFR 785.50 and US DOL regulations.

All eligible applicants will have their inbound reasonable transportation expenses reimbursed, one time only. Domestic applicants from outside of the normal commuting distance that voluntarily chose not to reside in the employer provided housing; the employer will pay the worker for the initial reasonable costs incurred for inbound transportation and subsistence from the place from which the work has come to work for the employer, whether in the U.S. or abroad to the place of employment. However, the employer will not reimburse any workers for daily transportation cost whether commuting from inside or outside of the area of intended employment. Employer will not pay for voluntary trips back to their residence due to family emergencies, or vacations.

The amount of such transportation payment will be equal to the Worker's actual transportation costs not to exceed the most economical and reasonable common carrier transportation charges for the distance involved. In lieu of the above payments to the workers for transportation, the employer reserves the right to charter or otherwise arrange to provide for transportation at the employer's election. Subsistence reimbursement shall be \$11.42 per day, without producing documentation of actual expenses, or will otherwise be paid as per 20 CFR 655.122(h) only to those employees who are eligible under the H-2A program regulations for subsistence pay. Maximum Amount to be reimbursed with receipts is \$46.00. By way of illustration and not in limitation of the foregoing, the employer will not pay transportation for such worker if he does not have suitable documents to comply with proof of identity and employment eligibility requirements of IRCA, if he is discharged for lawful job-related reasons, or if he abandons this employment when he is needed by the Grower. Employer will provide transportation and subsistence under this agreement if the worker is terminated because of work related injury caused by this/these crop activities and is so certified by a doctor acceptable to employer before leaving employers farm, or termination resulting from an Act of God which makes fulfillment of this contract impossible as provided in paragraph 16C or if the worker is displaced by a U.S. worker under DOL's 50% rule. Employer will offer free transportation for workers living in employer's housing facility both to and from the daily work site. The use of the transportation by the worker is voluntary; no worker will be required as a condition of employment to utilize the transportation offered by the employer. Workers are free to choose their own means of transportation at their own expense.

In accordance with Departmental regulations 20 CFR 655.122 (o), if, before the expiration date specified in the work contract, the services of the worker are not longer required for reasons beyond the control of the employer due to fire, weather, or other Act of God that makes the fulfillment of the contract impossible, the employer may terminate the work contract. Whether such an event constitutes a contract impossibility will be determined by the CO. In the event of such termination of a contract, the employer must fulfill a three-fourths guarantee for the time that has elapsed from the start of the work contract to the time of its termination. The employer will make efforts to transfer the worker to other comparable employment acceptable to the worker, consistent with existing immigration law, as applicable. If such transfer is not affected, the employer will (1) return the worker at the employer's expense to the place from which the worker (disregarding intervening employment) came to work for the employer, or transport the worker to the worker's next certified H-2A employer, whichever the worker prefers; (2) pay the worker for any costs incurred by the worker for transportation and daily subsistence to that employer's place of employment; (3) reimburse the worker the full amount of any deductions made from the worker's pay by the employer for transportation and subsistence expenses to the place of employment.

For US workers who complete the work contract and are eligible for the outbound transportation benefit, the Employer will provide or pay for the worker's reasonable cost of return transportation and subsistence from the place of employment to the place from which the worker departed to work for the employer, except when the worker will not be returning to the place of recruitment due to subsequent employment with another employer. If the subsequent employer has not agreed to provide or pay for the worker's transportation to the subsequent place of employment, the Employer will provide or pay for the transportation and subsistence to the subsequent place of employment in lieu of providing or paying for such expenses from the place of employment to the place from which the worker departed to work for the employer. If the subsequent employer has agreed to provide or pay for the worker's transportation and subsistence to the subsequent place of employment the Employer will not provide or pay for such expenses. The Employer reserves the right to arrange charter or other return transportation. Workers eligible for this benefit who do not wish to avail themselves of employer arranged return transportation would be provided their outbound transportation and subsistence by check. In those circumstances, the grower will distribute the checks as soon as all work is completed, as determined by the employer, and the worker is ready to depart. Workers may select any means of transportation home they choose, however, the reimbursement is limited to the most economical and reasonable common carrier transportation cost for the distance involved. Workers

who arrange their own transportation understand they assume all liability and hold harmless the growers/association for any damages, injuries, and personal or property losses.

Other Conditions of Employment:

A. Termination: Employer may terminate the worker for lawful job-related reasons and so notify the H-2A Central office if the worker: a) refuses without justified cause to perform work for which the worker was recruited and hired, b) commit serious act(s) of misconduct or serious or repeated violation(s) of the assigned grower's work rules; the Employer may make and post work rules which shall apply to this employment; the worker shall abide by such rules (a copy of Work Rules is attached) c) fails after completing the training period to perform the work as specified in Item 11 and Attachment, or d) malingers or otherwise refused without justified cause to perform as directed the work for which the Worker was recruited and hired; e) provides other lawful job-related reason(s) for termination of employment f) abandons this employment; five consecutive scheduled working days of unexcused absence shall be an abandonment of employment; employees must notify the assigned Grower and secure permission for necessary absences g) falsifying identification, personnel, medical, production or other work related records h) fails or refuses to take random drug test for all employees i) commits acts of insubordination.
