INTRASTATE AND INTERSTATE CLEARANCE ORDER

The employer agrees to provide to workers referred through the clearance system the number of hours of work per week cited in Item 10 of the clearance order for the week beginning with the anticipated date of need, unless the employer has amended the date of need at least 10 working days prior to the original date of need by so notifying the Order-Holding Office (OHO). If the employer fails to notify the OHO at least 10 working days prior to the original date of need, the employer shall pay eligible workers referred through the intrastate/interstate clearance system the specified hourly rate or pay, or in the absence of a specified hourly rate or pay, the higher of the Federal or State minimum wage rate for the first week starting with the original anticipated date of need. The employer may require workers to perform alternative work if the guarantee is invoked and if such alternative work is stated on the job order.

The employer agrees that no extension of employment beyond the period of employment shown on the job order will relieve the employer from paying the wages already earned, or specified in the job order as a term of employment, providing transportation or paying transportation expenses to the worker's home.

The employer assures that all working conditions comply with applicable Federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration and other employment-related laws.

The employer agrees to expeditiously notify the OHO or State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over recruitment, or other factors have changed the terms and conditions of employment.

The employer, if acting as a farm labor contractor, has a valid farm labor contractor registration certificate.

The employer assures the availability of no cost or public housing which meets applicable Federal and State standards and which is sufficient to house the specified number of workers requested through the clearance system.

The employer also assures that outreach workers shall have reasonable access to the workers in the conduct of outreach activities pursuant to 20 CFR 653.107.

- b. Housing beds, bedding and mattresses will be furnished at no cost to the workers.
- c. Housing will be clean and meet the applicable federal and State housing standards.
- d. Workers will be responsible for maintaining housing and surrounding areas in a neat, clean manner.

Item 16: Job Specifications

- b. Employer may terminate worker with timely notification to the NPC and DHS, if the worker:
 - 1) Refuses, without cause, to perform work for which the worker was recruited and hired;
 - 2) Commits serious acts of misconduct; or
 - 3) Abandons Job ("Job Abandonment") – is absent for five consecutive previously scheduled days without prior notification to employer.

Item 17: Wage Rates, Special Pay Information and Deductions

The employer will offer, advertise in its recruitment, and pay a wage that is the highest of the AEWR, the prevailing hourly wage or piece rate, the agreed upon collective bargaining wage, or the Federal or State minimum wage, except where a special procedure is approved for an occupation or specific class of agricultural employment. Employer assures that if a change in the AEWR requires an increase such increase will be paid as of the effective date of the increase. Also if the AEWR is decreased this will become the wage effective of the date of the decrease.

- In New York State, the only deductions that can be taken from worker pay are:
 - ** Those required by law, such as Social Security, income tax, and garnishment of wages;
 - ** those that benefit workers and are authorized in writing, such as life insurance, or a savings account

Any other deductions are illegal.

- b. The employer guarantees to offer employment for a minimum of $\frac{3}{4}$ ("three fourths guarantee") of the hours in the workdays during the period of the contract, and all extensions thereof. This guarantee begins with the first workday after the worker's arrival at the place of employment and ends on the date specified on the job order or extensions thereof. In fire, weather or Act of God terminations (as determined by the Certifying Officer) the $\frac{3}{4}$ guarantee period ends on the date of termination. The employer must make efforts to transfer the worker to other comparable employment acceptable to the worker, consistent with existing immigration law, as applicable. If such a transfer is not affected, the employer must (1) return the worker, at the employers expense, to the place from which the worker (disregarding intervening employment) came to work for the employer, or transport the worker to the workers next certified H2A employer, whichever the worker prefers (2) reimburse the worker the full amount of any deductions made from the workers pay by the employer for transportation and subsistence expenses to the place of employment; and (3) pay the worker for any costs incurred by the worker for transportation and daily subsistence to that employers place of employment. Daily

subsistence must be computed as set forth in paragraph (h) of the section. The amount of the transportation payment must not be less (and is not required to be more) than the most economical and reasonable common carrier transportation charges for the distances involved provide the guarantees in Item 17 (a) below.

- c. Workers will not be required to work more than the number of hours specified in the job order for a workday or on their Sabbath or federal holidays to meet this guarantee. The worker's average hourly earnings will be used under this guarantee where wages are paid on a piece rate basis. Workers who are terminated for cause or who voluntarily abandon their job are not entitled to this guarantee if employer provides timely notification to the NPC and DHS.
- d. On or before each payday the employer will provide to each worker in one or more written statements the following information: (1) the workers total earnings for the pay period; (2) the workers hourly rate and/or piece rate of pay; (3) the hours of employment offered to the worker (showing offers in accordance with the ¾'s guarantee as determined in paragraph (i) of the regulations at 20 CFR sec. 655.122(k), separate from any hours offered over and above the guarantee); (4) the hours actually worked by the worker; (5) an itemization of all deductions made from the worker's wages; (6) If piece rates are used, the units produced daily; (7) beginning and ending dates of the pay period; (8) the employer's name, address, and FEIN.
- e. Workers with school age children who have migrated with such children and who depart in time to return home for the beginning of the school year shall be paid, in addition to the basic wages, any bonus or other incentive payments or other expenses to which they would be entitled had they stayed the entire job order period.

Item 19: Transportation

Employer agrees to reimburse inbound transportation and subsistence expenses (\$11.42 per day minimum to a maximum of \$46.00 per day) to each worker, or any person, government agency or private organization which, on behalf of the worker has paid or advanced such transportation and subsistence expenses, from the place from which the worker has come to work for the employer, whether in the U.S. or abroad to the place of employment, after the worker has completed 50% of the stipulated period of employment, from initial date of need or from the day after actual arrival of worker if later than the stated date to report.

- a. Employer will provide or pay the cost of return transportation and subsistence to each worker who completes the employment period, or who is terminated for medical reasons, or as the result of fire, weather or an Act of God (as determined by the Certifying Officer), from place of employment to place of recruitment, except if the worker prefers not to return to his place of recruitment and has subsequent employment with an employer – see Item 17 (c) above. Employer will not be responsible for providing return cost of transportation and subsistence from place of employment to place of recruitment if the worker voluntarily abandons the job or is terminated for cause and employer provides timely notification to the NPC and DHS.
- b. The amount of the transportation payment will be equal to the most economical and reasonable similar common carrier transportation charges for the distance involved. All transportation provided by the employer will be by common carrier or other transportation facilities which conform to the applicable regulations of the Interstate Commerce Commission or the United States Department of Labor. The amount of daily subsistence will be in accordance with current rates published in the *Federal Register* (for workers with and without receipts).

4. Where appropriate, the employer is certified in the use and application of pesticides per Federal Environmental Protection Agency and State Department of Environmental Conservation requirements. The employer assures that workers hired under this order who will be handling pesticides will be provided appropriate training.
5.
