**INTRASTATE AND INTERSTATE CLEARANCE ORDER**

The employer agrees to provide to workers referred through the clearance system the number of hours of work per week cited in Item 11 of the clearance order for the week beginning with the anticipated date of need, unless the employer has amended the date of need at least 10 working days prior to the original date of need by so notifying the Order-Holding Office (OHO). If the employer falls to notify the OHO at least 10 working days prior to the original date of need, the employer shall pay eligible workers referred through the intrastate/interstate clearance system the specified hourly rate or pay, or in the absence of a specified hourly rate or pay, the higher of the Federal or State minimum wage rate for the first week starting with the original anticipated date of need. The employer may require workers to perform alternative work if the guarantee is invoked and if such alternative work is stated on the job order.

The employer agrees that no extension of employment beyond the period of employment shown on the job order will relieve the employer from paying the wages already earned, or specified in the job order as a term of employment, providing transportation or paying transportation expenses to the worker's home.

The employer assures that all working conditions comply with applicable Federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration and other employment-related laws.

The employer agrees to expeditiously notify the OHO or State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over recruitment, or other factors have changed the terms and conditions of employment.

The employer, if acting as a farm labor contractor, has a valid farm labor contractor registration certificate.

The employer assures the availability of no cost or public housing which meets applicable Federal and State standards and which is sufficient to house the specified number of workers requested through the clearance system.

The employer also assures that outreach workers shall have reasonable access to the workers in the conduct of outreach activities pursuant to 20 CFR 653.107.

Employer assures that if a change in the AEW requires an increase such increase will be paid as of the effective date of the increase. Also if the AEW is decreased this will become the wage effective on the date of the decrease.

- a. If piece rate earnings for total hours of work at a piece rate during a pay period do not result in average hourly earnings equal to the guaranteed minimum hourly rate, the worker will receive make-up pay to the guaranteed minimum wage rate.
- b. In New York State, the only deductions that can be taken from worker pay are:
  - 1. Those required by law, such as Social Security, income tax, and garnishment of wages; and

- c. The employer guarantees to offer employment for a minimum of  $\frac{3}{4}$  ("three-fourths guarantee") of the hours in the workdays during the period of the contract, and all extensions thereof. This guarantee begins with the first workday after the worker's arrival at the place of employment and ends on the date specified on the job order or extensions thereof. The employer must make efforts to transfer the worker to other comparable employment acceptable to the worker, consistent with existing immigration law, as applicable. If such a transfer is not affected, the employer must (1) return the worker, at the employer's expense, to the place from which the worker (disregarding intervening employment) came to work for the employer, or transport the worker to the worker's next certified H-2A employer, whichever the worker prefers; (2) reimburse the worker the full amount of any deductions made from the worker's pay by the employer for transportation and subsistence expenses to the place of employment; and (3) pay the worker for any costs incurred by the worker for transportation and daily subsistence to that employer's place of employment. Daily subsistence must be computed as set forth in paragraph (h) of 655.122. The amount of the transportation payment must not be less (and is not required to be more) than the most economical and reasonable common carrier transportation charges for the distances involved provide the guarantees in Item 19 (a) below.
- d. Workers will not be required to work more than the number of hours specified in the job order for a workday or on their Sabbath or federal holidays to meet this guarantee. The worker's average hourly earnings will be used under this guarantee where wages are paid on a piece rate basis. Workers who are terminated for cause or who voluntarily abandon their job are not entitled to this guarantee if employer provides timely notification to the NPC and DHS.
- e. On or before each payday the employer will provide to each worker in one or more written statements the following information: (1) the worker's total earnings for the pay period; (2) the worker's hourly rate and/or piece rate of pay; (3) the hours of employment offered to the worker (showing offers in accordance with the  $\frac{3}{4}$  guarantee as determined in paragraph (i) of the regulations at 20 CFR sec. 655.122(k), separate from any hours offered over and above the guarantee); (4) the hours actually worked by the worker; (5) an itemization of all deductions made from the worker's wages; (6) if piece rates are used, the units produced daily; (7) beginning and ending dates of the pay period; and (8) the employer's name, address, and FEIN.

- a. Employer will provide or pay the cost of return transportation and subsistence to each worker who completes the employment period, or who is terminated for medical reasons, or as the result of fire, weather, or an Act of God (as determined by the Certifying Officer), from place of employment to place of recruitment, except if the worker prefers not to return to his place of recruitment and has subsequent employment with an employer – see Item 17 (c) above. Employer will not be responsible for providing return cost of transportation and subsistence from place of employment to place of recruitment if the worker voluntarily abandons the job or is terminated for cause and employer provides timely notification to the NPC and DHS.
- b. The amount of the transportation payment will be equal to the most economical and reasonable similar common carrier transportation charges for the distance involved. All transportation provided by the employer will be by common carrier or other transportation facilities which conform to the applicable regulations of the Interstate Commerce Commission or the United States Department of Labor. The amount of daily subsistence will be in accordance with current rates published in the *Federal Register* (for workers with and without receipts).
