INTRASTATE AND INTERSTATE CLEARANCE ORDER

The employer agrees to provide to workers referred through the clearance system the number of hours of work per week cited in Item 10 of the clearance order for the week beginning with the anticipated date of need, unless the employer has amended the date of need at least 10 working days prior to the original date of need by so notifying the Order-Holding Office (OHO). If the employer fails to notify the OHO at least 10 working days prior to the original date of need, the employer shall pay eligible workers referred through the intrastate/interstate clearance system the specified hourly rate or pay, or in the absence of a specified hourly rate or pay, the higher of the Federal or State minimum wage rate for the first week starting with the original anticipated date of need. The employer may require workers to perform alternative work if the guarantee is invoked and if such alternative work is stated on the job order.

The employer agrees that no extension of employment beyond the period of employment shown on the job order will relieve the employer from paying the wages already earned, or specified in the job order as a term of employment, providing transportation or paying transportation expenses to the worker's home.

The employer assures that all working conditions comply with applicable Federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration and other employment-related laws.

The employer agrees to expeditiously notify the OHO or State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over recruitment, or other factors have changed the terms and conditions of employment.

The employer, if acting as a farm labor contractor, has a valid farm labor contractor registration certificate.

The employer assures the availability of no cost or public housing which meets applicable Federal and State standards and which is sufficient to house the specified number of workers requested through the clearance system.

The employer also assures that outreach workers shall have reasonable access to the workers in the conduct of outreach activities pursuant to 20 CFR 653.107.

- g. The employer will provide workers referred through the interstate clearance system 40 hours of work for the week beginning with the anticipated date of need, unless employer has amended the date of need by notifying the SWA no later than 10 business days before the date of need. If the employer fails to notify the NYS Department of Labor, then the employer shall pay an eligible worker referred through the clearance system \$448.80 (number of hours of work x AEWR/prevailing wage/minimum wage) for the first week starting with the originally anticipated date of need. expenses, from the place from which the worker has come to work for the employer, whether in the U.S. or abroad to the place of employment, after the worker has completed 50% of the stipulated period of employment, from initial date of need or from the day after actual arrival of worker if later than the stated date to report.

- a. Employer will provide or pay the cost of return transportation and subsistence to each worker who completes the employment period, or who is terminated for medical reasons, or as the result of fire, weather, or an Act of God (as determined by the Certifying Officer), from place of employment to place of recruitment, except if the worker prefers not to return to his place of recruitment and has subsequent employment with an employer – see Item 17 (c) above. Employer will not be responsible for providing return cost of transportation and subsistence from place of employment to place of recruitment if the worker voluntarily abandons the job or is terminated for cause and employer provides timely notification to the NPC and DHS.
- b. The amount of the transportation payment will be equal to the most economical and reasonable similar common carrier transportation charges for the distance involved. All transportation provided by the employer will be by common carrier or other transportation facilities which conform to the applicable regulations of the Interstate Commerce Commission or the United States Department of Labor. The amount of daily subsistence will be in accordance with current rates published in the *Federal Register* (for workers with and without receipts).
- c. If requested by the worker, employer will assist in making transportation arrangements.
