INTRASTATE AND INTERSTATE CLEARANCE ORDER

The employer agrees to provide to workers referred through the clearance system the number of hours of work per week cited in Item 11 of the clearance order for the week beginning with the anticipated date of need, unless the employer has amended the date of need at least 10 working days prior to the original date of need by so notifying the Order-Holding Office (OHO). If the employer fails to notify the OHO at least 10 working days prior to the original date of need, the employer shall pay eligible workers referred through the intrastate/interstate clearance system the specified hourly rate or pay, or in the absence of a specified hourly rate or pay, the higher of the Federal or State minimum wage rate for the first week starting with the original anticipated date of need. The employer may require workers to perform alternative work if the guarantee is invoked and if such alternative work is stated on the job order.

The employer agrees that no extension of employment beyond the period of employment shown on the job order will relieve the employer from paying the wages already earned, or specified in the job order as a term of employment, providing transportation or paying transportation expenses to the worker's home.

The employer assures that all working conditions comply with applicable Federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration and other employment-related laws.

The employer agrees to expeditiously notify the OHO or State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over recruitment, or other factors have changed the terms and conditions of employment.

The employer, if acting as a farm labor contractor, has a valid farm labor contractor registration certificate.

The employer assures the availability of no cost or public housing which meets applicable Federal and State standards and which is sufficient to house the specified number of workers requested through the clearance system.

The employer also assures that outreach workers shall have reasonable access to the workers in the conduct of outreach activities pursuant to 20 CFR 653.107.

Employer's Name Dirk Biemans Date: 11/19/14

Employer's Signature 

Besides the material terms and conditions of the employment, the employer must agree to these assurances if the job order is to be placed as part of the Agricultural Recruitment System. This assurance statement must be signed by the employer, and it must accompany the ETA Form 790.

Also if the AEWR is decreased this will become the wage effective on the date of the decrease.

If such a transfer is not affected, the employer must (1) return the worker, at the employer's expense, to the place from which the worker (disregarding intervening employment) came to work for the employer, or transport the worker to the worker's next certified H-2A employer, whichever the worker prefers; (2) reimburse the worker the full amount of any deductions made from the worker's pay by the employer for transportation and subsistence expenses to the place of employment; and (3) pay the worker for any costs incurred by the worker for transportation and daily subsistence to that employer's place of employment. Daily subsistence must be computed as set forth in paragraph (h) of 655.122. The amount of the transportation payment must not be less (and is not required to be more) than the most economical and reasonable common carrier transportation charges for the distances involved provide the guarantees in Item 19 (a) below.

Workers who are terminated for cause or who voluntarily abandon their job are not entitled to this guarantee if employer provides timely notification to the NPC and DHS.
- e. On or before each payday the employer will provide to each worker in one or more written statements the following information: (1) the worker's total earnings for the pay period; (2) the worker's hourly rate and/or piece rate of pay; (3) the hours of employment offered to the worker (showing offers in accordance with the $\frac{3}{4}$ guarantee as determined in paragraph (i) of the regulations at 20 CFR sec. 655.122(k), separate from any hours offered over and above the guarantee); (4) the hours actually worked by the worker; (5) an itemization of all deductions made from the worker's wages; (6) if piece rates are used, the units produced daily; (7) beginning and ending dates of the pay period; and (8) the employer's name, address, and FEIN.

- g. The employer will provide workers referred through the interstate clearance system 40 hours of work for the week beginning with the anticipated date of need, unless employer has amended the date of need by notifying the SWA no later than 10 business days before the date of need. If the employer fails to notify the NYS Department of Labor, then the employer shall pay an eligible worker referred through the clearance system \$448.80 (number of hours of work x AEWR/prevailing wage/minimum wage) for the first week starting with the originally anticipated date of need. If worker referred fails to notify the NYS Department of Labor of continued interest in the job at least 5 days before date of need, worker will be disqualified from this assurance. - a. Employer will provide or pay the cost of return transportation and subsistence to each worker who completes the employment period, or who is terminated for medical reasons, or as the result of fire, weather, or an Act of God (as determined by the Certifying Officer), from place of employment to place of recruitment, except if the worker prefers not to return to his place of recruitment and has subsequent employment with an employer – see Item 17 (c) above. Employer will not be responsible for providing return cost of transportation and subsistence from place of employment to place of recruitment if the worker voluntarily abandons the job or is terminated for cause and employer provides timely notification to the NPC and DHS.
- b. The amount of the transportation payment will be equal to the most economical and reasonable similar common carrier transportation charges for the distance involved. All transportation provided by the employer will be by common carrier or other transportation facilities which conform to the applicable regulations of the Interstate Commerce Commission or the United States Department of Labor. The amount of daily subsistence will be in accordance with current rates published in the *Federal Register* (for workers with and without receipts).
- c. If requested by the worker, employer will assist in making transportation arrangements.
- d. Employer will provide transportation, at no cost to the worker, from the employer provided housing to the actual work site and return at the end of the day.

Item 22: Workers' Compensation

The employer assures that Policy # Z 1264 831-7 issued by The State Insurance Fund provides the required insurance for injuries arising out of and in the course of employment. Employer's proof of insurance coverage will be provided to the Chicago Processing Center before certification is granted.

- 2. The employer will expeditiously notify the State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over-recruitment, or other factors have changed the terms and conditions of employment.
- 3. Outreach workers shall have reasonable access to the worker in the conduct of outreach activities pursuant to 20 CFR 653.501(xvi).
- 4. Where appropriate, the employer is certified in the use and application of pesticides per Federal Environmental Protection Agency and State Department of Environmental Conservation requirements. The employer assures that workers hired under this order who will be handling pesticides will be provided appropriate training.

5. The employer will provide to an H-2A worker no later than the time at which the worker applies for the visa, or to a worker in corresponding employment no later than on the day work commences, a copy of the work contract between the employer and the workers in a language understood by the worker.
6. The employer assures that if acting as a farm labor contractor (FLC) or farm labor contractor employee (FLCE) on the order, he/she has a valid federal FLC certificate or FLCE identification card.
7. The applicant assures that he/she complies with NYS registration requirements. Farm labor contractors anticipating employment contracting with growers or processors in New York State, growers or processors in New York State who use the services of a farm labor contractor, and growers or processors in New York State who, without using the services of a farm labor contractor, are responsible for bringing into the state five or more out-of-state migrant farm or food processing workers, **not including H-2A workers**, are required to register with the New York State Department of Labor and pay a registration fee in addition to any other fees that may be applicable. This statement applies only to H-2A employers who also employ five or more out-of-state migrant workers.

Item 10. Number of Workers Requested

The employer's workforce need for the employment covered by this Clearance Order is for 64 workers. The employer expects to fill about 15 of these positions with local workers who commute daily from their usual place of residence and will not be entitled to employer-provided housing. Therefore the employer is applying for 49 workers through this Clearance Order.

Item 11. Anticipated Hours of Work Per Week.

The anticipated work week is 40 hours, consisting of 8 hours per day, Monday through Friday, 7AM to 3:30PM with a ½ hour unpaid lunch break. The work day may begin earlier or later on any given day. Workers will be instructed the previous day of any anticipated change in the starting time. Workers may receive less work, or be requested to work more hours of any given day, depending upon crop or weather conditions and/or market demand.

This is regular, full-time work requiring that the worker be available for work on a daily basis when work is available. This is not "day work". Excessive tardiness and/or absences will not be tolerated, and will result in disciplinary action.

Item 16. Job Specifications.

This work may entail exposure to plant pollens, insects and noxious plants which have been treated with insect and/or disease control sprays. The employer will comply with all worker protection standards and re-entry restrictions applicable to pesticides and other chemicals used in the greenhouse.

Daily individual and/or crew work assignments will be made by and at the sole discretion of the employer as the needs of the farming operation dictates. Workers must perform the assigned work and may not switch work assignments without the specific authorization of the supervisor. Workers may be assigned to a variety of tasks in any

given day and/or to different tasks on different days. Workers will be expected to perform any and all of the listed tasks, as assigned by the worker's supervisor.

Instructions and general supervision will be provided by the employer or a designated employee. However, workers will be expected to perform their duties in a timely and proficient manner without close supervision. Performance specifications can change from time to time during the season due to crop weather or market conditions. Workers will be expected to conform to the specific instructions given for each day's work.

Workers will be expected to comply with all provisions of this Clearance Order and the attached Work Rules. Failure to do so will subject the worker to the employer's disciplinary procedures.

No non-worker will be permitted at or adjacent to the work site. In particular, no non-working children may be present at or adjacent to the work site, or left in vehicles at or adjacent to the work site during the work day. Workers arriving at work with non-working children or other non-workers will be sent home.

Employees must not report, enter the work site or perform service while under the influence of or having used alcohol or any illegal controlled substance. Employees must not report for work or perform service, while under the influence of, or impaired by, prescription drugs, medications or other substances that may in any way adversely affect their alertness, coordination, reaction response or safety.

The employer will provide tools and equipment necessary to perform the required tasks, including clippers, knives and containers at no cost to the worker. Employer-provided items will include appropriate rain wear if the worker is required to work in the rain.
