Employer assures that if a change in the AEW requires an increase such increase will be paid as of the effective date of the increase. Also if the AEW is decreased this will become the wage effective on the date of the decrease.

- a. If piece rate earnings for total hours of work at a piece rate during a pay period do not result in average hourly earnings equal to the guaranteed minimum hourly rate, the worker will receive make-up pay to the guaranteed minimum wage rate.
- b. In New York State, the only deductions that can be taken from worker pay are:
 - 1. Those required by law, such as Social Security, income tax, and garnishment of wages; and

Any other deductions are illegal.

- c. The employer guarantees to offer employment for a minimum of $\frac{3}{4}$ ("three-fourths guarantee") of the hours in the workdays during the period of the contract, and all extensions thereof. The employer must make efforts to transfer the worker to other comparable employment acceptable to the worker, consistent with existing immigration law, as applicable. If such a transfer is not affected, the employer must (1) return the worker, at the employer's expense, to the place from which the worker (disregarding intervening employment) came to work for the employer, or transport the worker to the worker's next certified H-2A employer, whichever the worker prefers; (2) reimburse the worker the full amount of any deductions made from the worker's pay by the employer for transportation and subsistence expenses to the place of employment; and (3) pay the worker for any costs incurred by the worker for transportation and daily subsistence to that employer's place of employment. Daily subsistence must be computed as set forth in paragraph (h) of 655.122. The amount of the transportation payment must not be less (and is not required to be more) than the most economical and reasonable common carrier transportation charges for the distances involved provide the guarantees in Item 19 (a) below.
- d. Workers will not be required to work more than the number of hours specified in the job order for a workday or on their Sabbath or federal holidays to meet this guarantee. The worker's average hourly earnings will be used under this guarantee where wages are paid on a piece rate basis. Workers who are terminated for cause or who voluntarily abandon their job are not entitled to this guarantee if employer provides timely notification to the NPC and DHS.
- e. On or before each payday the employer will provide to each worker in one or more written statements the following information: (1) the worker's total earnings for the pay period; (2) the worker's hourly rate and/or piece rate of pay; (3) the hours of employment offered to the worker (showing offers in accordance with the $\frac{3}{4}$ guarantee as determined in paragraph (i) of the regulations at 20 CFR sec. 655.122(k), separate from any hours offered over and above the guarantee); (4) the hours actually worked by the worker; (5) an itemization of all deductions made from the worker's wages; (6) if piece rates are used, the units produced daily; (7) beginning and ending dates of the pay period; and (8) the employer's name, address, and FEIN.

- g. The employer will provide workers referred through the interstate clearance system 40 hours of work for the week beginning with the anticipated date of need, unless employer has amended the date of need by notifying the SWA no later than 10 business days before the date of need. If the employer fails to notify the NYS Department of Labor, then the employer shall pay an eligible worker referred through the clearance system \$450.40 (number of hours of work x AEWR/prevailing wage/minimum wage) for the first week starting with the originally anticipated date of need. If worker referred fails to notify the NYS Department of Labor of continued interest in the job at least 5 days before date of need, worker will be disqualified from this assurance. - a. Employer will provide or pay the cost of return transportation and subsistence to each worker who completes the employment period, or who is terminated for medical reasons, or as the result of fire, weather, or an Act of God (as determined by the Certifying Officer), from place of employment to place of recruitment, except if the worker prefers not to return to his place of recruitment and has subsequent employment with an employer – see Item 17 (c) above. Employer will not be responsible for providing return cost of transportation and subsistence from place of employment to place of recruitment if the worker voluntarily abandons the job or is terminated for cause and employer provides timely notification to the NPC and DHS.
- b. The amount of the transportation payment will be equal to the most economical and reasonable similar common carrier transportation charges for the distance involved. All transportation provided by the employer will be by common carrier or other transportation facilities which conform to the applicable regulations of the Interstate Commerce Commission or the United States Department of Labor. The amount of daily subsistence will be in accordance with current rates published in the *Federal Register* (for workers with and without receipts).
- c. If requested by the worker, employer will assist in making transportation arrangements.
- d. Employer will provide transportation, at no cost to the worker, from the employer provided housing to the actual work site and return at the end of the day.

Item 22: Workers' Compensation
