Employer will not be responsible for providing return cost of transportation and subsistence from place of employment to place of recruitment if the worker voluntarily abandons the job or is terminated for cause and employer provides timely notification to the NPC and DHS.
- b. The amount of the transportation payment will be equal to the most economical and reasonable similar common carrier transportation charges for the distance involved. All transportation provided by the employer will be by common carrier or other transportation facilities which conform to the applicable regulations of the Interstate Commerce Commission or the United States Department of Labor.
