The employer guarantees to offer employment for a minimum of  $\frac{3}{4}$  ("three-fourths guarantee") of the hours in the workdays during the period of the contract, and all extensions thereof. This guarantee begins with the first workday after the worker's arrival at the place of employment and ends on the date specified on the job order or extensions thereof. In fire, weather, or Act of God terminations (as determined by the Certifying Officer) the  $\frac{3}{4}$  guarantee period ends on the date of termination. The employer must make efforts to transfer the worker to other comparable employment acceptable to the worker, consistent with existing immigration law, as applicable. If such a transfer is not affected, the employer must (1) return the worker, at the employer's expense, to the place from which the worker (disregarding intervening employment) came to work for the employer, or transport the worker to the worker's next certified H-2A employer, whichever the worker prefers; (2) reimburse the worker the full amount of any deductions made from the worker's pay by the employer for transportation and subsistence expenses to the place of employment; and (3) pay the worker for any costs incurred by the worker for transportation and daily subsistence to that employer's place of employment. Daily subsistence must be computed as set forth in paragraph (h) of 655.122. - g. The employer will provide workers referred through the interstate clearance system 48 hours of work for the week beginning with the anticipated date of need, unless employer has amended the date of need by notifying the SWA no later than 10 business days before the date of need. If the employer fails to notify the NYS Department of Labor, then the employer shall pay an eligible worker referred through the clearance system \$563.52 (number of hours of work x AEWR/prevaling wage/minimum wage) for the first week starting with the originally anticipated date of need. If worker referred fails to notify the NYS Department of Labor of continued interest in the job at least 5 days before date of need, worker will be disqualified from this assurance. Employer will provide or pay the cost of return transportation and subsistence to each worker who completes the employment period, or who is terminated for medical reasons, or as the result of fire, weather, or an Act of God (as determined by the Certifying Officer), from place of employment to place of recruitment, except if the worker prefers not to return to his place of recruitment and has subsequent employment with an employer – see Item 17 (c) above.
