

## **Mohawk Valley 2016 Regional Plan Addendum**

### Identification of Strategic Partners:

Nanotechnology Career Pathways: Mohawk Valley EDGE for job descriptions. GE and AMS will provide training requirements and skills information. These companies are not yet on site; MV EDGE has been our resource for contact and information.

UAS – Mohawk Valley Community College, Utica SAFE Schools, BOCES & Career Pathways Youth (WDB grant program). The goal is to reach the refugee population with drone training

Cyber security Workforce Development: We are working with several companies (including BNY Melon & Assured Information Systems) and training providers to develop training programs for Data Analytics.

Advanced Manufacturing Recruitment and Training: Premier Aviation, Indium, PAR Technologies and Advanced Tool among several others Beech-Nut Nutrition, Richardson Brands, Belmont Mills/Gehring-Tricot, Keymark Corp. and AMT Castings

Healthcare: Bassett Healthcare, Mohawk Valley Health Systems, Masonic Care, Presbyterian Home

Mohawk Valley Workforce Coalition: Members include all regional partners that have workforce as part of their mission (it is a learning/education group that meets every other month). Discussion includes new programs, program changes and ways to partner and collaborate.
